EVERLY

Everly

Small, but providing maximum practicality – Everly reception desk is optimally combining features of a customer service stand and an individual workstation.

The oval top is at the same time fulfilling a role of a worktop and a lower element of the reception what

makes for a multifunctional desk that meets the needs of disabled customers. The higher part allows working in a standing position, simultaneously hiding the computer station and the document shelf. Everly is a space-saving solution that will fit perfectly for beauty studios, hair salons and many other interiors.
