PERCY

PERCY is an executive system designed
for professionals who do not want to
give up the traditional interior design solutions.
It combines classic and modern design.

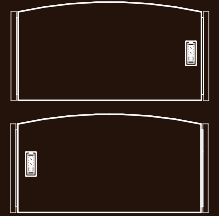

Classic shapes adapted to conform
to contemporary fashion all over the world.
Simple cuts without unnecessary ornamentation.
Collection PERCY gives your office
the ascetic elegance.

The elegance of collection is emphasised by the natural colours of walnut, Canadian Oak and chestnut. Careful selection of colours might add light, subtlety or esteem to an office.

Strong colours of anthracite and chestnut intensify the sophistication of PERCY. Dark colours mark out the classic and traditional values while bringing a bit of mystery.

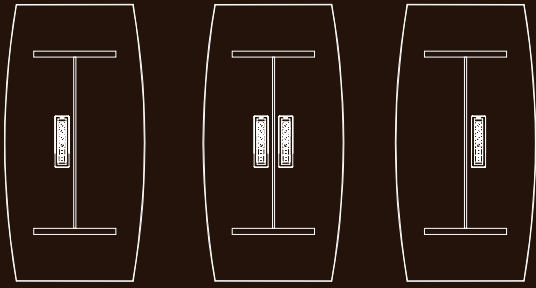

The colours of walnut and Canadian Oak warm up an area. They add light and enlarge the space, providing it with an atmosphere of delicacy. They bring peace and harmony as well.
