ALBA

Alba

Modern character and dynamic form – Alba reception desk was designed to meet the requirements of a contemporary reception.

Visually attractive combination of glass, aluminium and high gloss laminates creates an elegant, but not overwhelming whole. Modular construction allows to

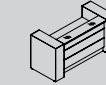

freely customize and extend the layouts. Corner desk, semi-circular, straight or an irregular shape – with Alba every configuration is possible. The overhang worktop of the low module is an indisputable advantage that is a convenience for disabled customers. Furthermore, the chosen colour can function as a complementary element of the visual identification of the company.
