**Un innovativo sistema d'arredo che crea uno spazio di lavoro collaborativo che valorizza l'efficienza dei dipendenti. La protagonista, dal design sofisticato e moderno, è indubbiamente la scrivania, disponibile in sei strutture diverse e completamente personalizzabile combinando i numerosi materiali e i pregiati melaminici della gamma. L'ufficio raggiunge un equilibrio impeccabile risultando piacevole e accogliente, sia per chi opera in postazione singola, che in team, alla reception o al call center.**

An innovative furniture system that creates a cooperative work space that enhances employee efficiency. The star player is undoubtedly the desk with its sophisticated and modern design, available with six different structures and fully customisable with the range's numerous combinations of materials and refined melamine surfaces. The office setting achieves an immaculate balance and is both appealing and welcoming for those working at an individual workstation, or in team, in reception or in a call centre.

Un système d'ameublement novateur qui crée un espace de travail collaboratif et qui stimule l'efficacité des salariés. L'acteur principal, au design sophistiqué et moderne, est indubitablement le bureau qui se décline en six structures différentes et entièrement personnalisables, alliant les nombreux matériaux et les mélaminés de qualité supérieure de la gamme. Le bureau atteint un équilibre parfait et devient agréable et accueillant, tant pour le travailleur seul à son poste que pour l'équipe de la réception ou du call center.

**Lo studio del tradizionale tavolo a quattro gambe ha dato vita a una struttura metallica innovativa, dalle linee nette e precise. Essa funge da sostegno per le superfici in melaminico o fine vetro lucido, le cui colorazioni aprono a un'infinità di possibili abbinamenti.**

Meticulous study of the traditional table with four legs has led to the creation of an innovative metal structure, with clean, sharp lines. It acts as a support for the melamine or refined, polished glass surfaces, whose colours make way for an infinite number of possible combinations.

L'étude de la traditionnelle table à quatre pieds a donné vie à une structure métallique innovante, aux lignes nettes et précises. Elle sert de support aux surfaces en mélaminé ou en verre brillant mince, dont les couleurs permettent un nombre infini d'associations.
