Reception counters Calvino

Reception counters Calvino

Calvino is a collection of reception counters that are distinguished by minimalist and geometric forms. Multiple set-up options of one or two U- or L-shaped add-on tops provide a wide range of arrangement possibilities.

Reception counters with decorative profiles can additionally be equipped with welcome inscriptions. Another decorative element of Calvino L type reception counter is eye-catching ambient LED lightening of the base. A wide range of accessories enables to make a functional and ergonomic work space.

WORK TOP

- Chipboard coated on both sides with melamine resin with increased durability - 1st class.
- Chipboard with reduced formaldehyde emission, E1 standard.
- 25 mm thick top finished with 2 mm thick ABS plastic edge with 3 mm radius.
- Top affixed to front at the height of 740 mm.
- Elliptic ergonomic outlet as standard.
- Monitor shelf, cut-out in the work top on the right/left side or the center and a shelf with adjustable height as an option with a surcharge. Monitor shelf excludes ergonomic outlet.

PANEL LEGS

- Panel legs are made of 25 mm thick board.

ADD-ON TOPS

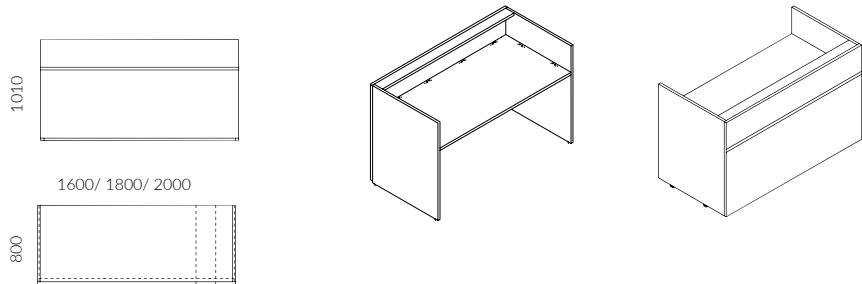

- Reception counter with L type add-on top is equipped with a base with LED ambient light.
- U type add-on top is equipped with leveling feet as standard.
- L- and U-type add-on tops are made of 36 mm thick board coated on both sides with melamine resin.
- The surfaces are joined with an elegant diagonal cutting.
- It can be mounted anywhere on the counter top taking into account the construction limitations described at the beginning of the chapter.
- Add-on top can be screwed to the carcass in any position taking into account the construction limitations presented at the beginning of the chapter.

RECEPTION COUNTER FRONT

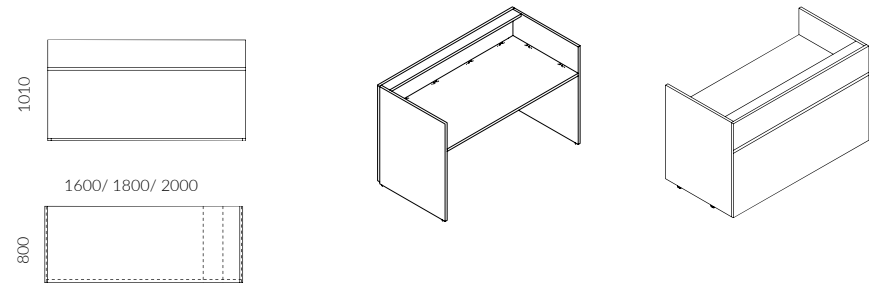

- Chipboard coated on both sides with melamine resin with increased durability - 1st class.
- Chipboard with reduced formaldehyde emission, E1 standard.
- 2 mm thick board finished with 2 mm thick ABS plastic edge with 3 mm radius.
- 25 mm thick board as standard.
- Decorative profile made of polished steel as standard.
- Welcome inscription (H:110 mm) Witamy/ Welcome/ Willkommen made of polished steel on the left or right as an option with a surcharge available for 2200 mm and 2400 mm wide reception counters.
