Accessories

Wire Management Tray (A)

A simple way of carrying horizontal cables across singular and multiple runs of desking.

Our optional wire management tray can be retrofitted to new or existing Eigel desking.

The tray provides a platform for our 2,3 and 4 gang socket modules and weiland cabling, bringing power and data to desktop level through the desktop cable ports.

Eigel Cable Riser (B)

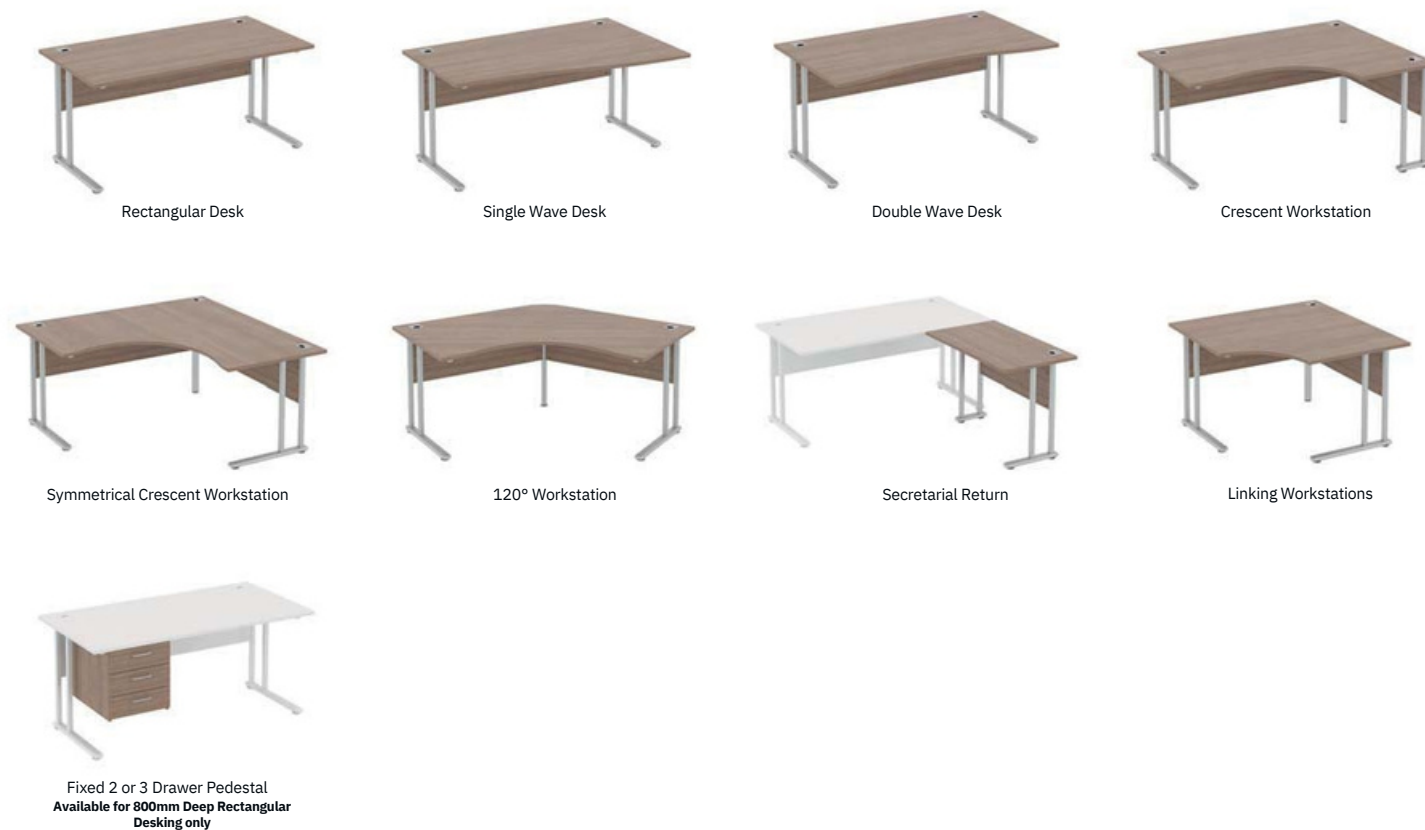

The optional Cable Riser channels all electrical and data cabling from floor level to desk top, discreetly concealing and securing them to the Eigel desk leg frame.

Eigel Cable Clip (C)

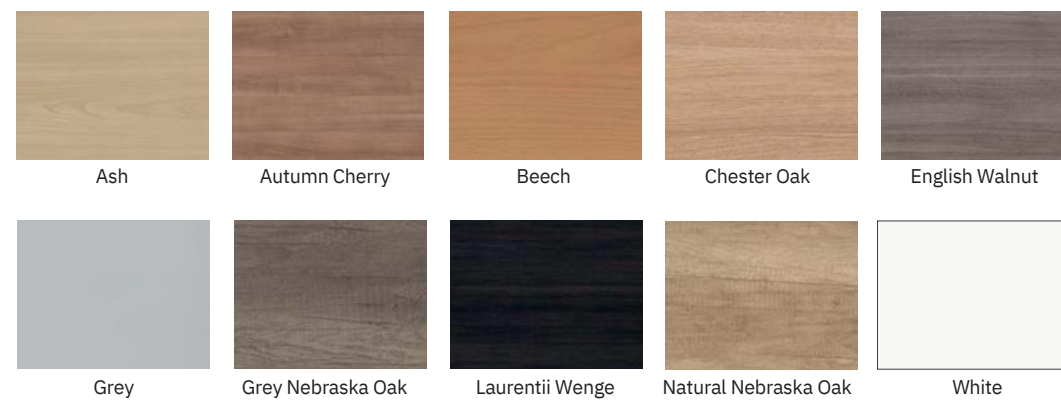

This optional three channel cable clip allows Eigel desking to comply with BS6396 electrical standards. Easy clip on mount allows for retrofitting to new or existing desking.

Desking Styles & Options

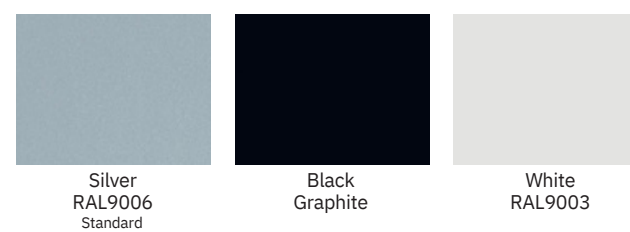

Eigel is available in a comprehensive range of desk design and sizes to cater for multiple or individual use.
