Partiamo dall'ordine: ciascuna cosa ha una collocazione precisa e merita un posto suo, secondo la sua natura. Ciascuno di noi è parte di quest'ordine, ecco perché riusciamo a pensare solo a idee dalle implicazioni armoniose.

Order comes first: each single thing has a specific role and deserves a proper place according to its nature. Each of us is a part of this order, this is the reason why we can only conceive ideas that have harmonious consequences.
