Gamba Anello

Ring Leg

Piètement en forme d'anneau

Un innovativo sistema d'arredo che crea uno spazio di lavoro collaborativo che valorizza l'efficienza dei dipendenti. La protagonista, dal design sofisticato e moderno, è indubbiamente la scrivania, disponibile in sei strutture diverse e completamente personalizzabile combinando i numerosi materiali e i pregiati melaminici della gamma. L'ufficio raggiunge un equilibrio impeccabile risultando piacevole e accogliente, sia per chi opera in postazione singola, che in team, alla reception o al call center.

An innovative furniture system that creates a cooperative work space that enhances employee efficiency. The star player is undoubtedly the desk with its sophisticated and modern design, available with six different structures and fully customisable with the range's numerous combinations of materials and refined melamine surfaces. The office setting achieves an immaculate balance and is both appealing and welcoming for those working at an individual workstation, or in team, in reception or in a call centre.

Un système d'ameublement novateur qui crée un espace de travail collaboratif et qui stimule l'efficacité des salariés. L'acteur principal, au design sophistiqué et moderne, est indubitablement le bureau qui se décline en six structures différentes et entièrement personnalisables, alliant les nombreux matériaux et les mélaminés de qualité supérieure de la gamme. Le bureau atteint un équilibre parfait et devient agréable et accueillant, tant pour le travailleur seul à son poste que pour l'équipe de la réception ou du call center.

La leggerezza e la raffinatezza dei piani entrano in armonia con l'eleganza geometrica della struttura metallica ad anello. Il disegno squadrato e sottile segue linee pure e rigorose che trasmettono razionalità e precisione.

The lightness and sophistication of the tops are in total harmony with the geometric elegance of the ring metal structure. The square and slim design follows clean, rigorous lines that transmit rationality and precision.

La légèreté et le raffinement des plateaux sont en parfaite harmonie avec l'élégance géométrique de la structure métallique en forme d'anneau. La forme carrée et fine suit des lignes pures et rigoureuses qui transmettent une sensation de rationnel et de précision.

**Totalmente anticonvenzionale.**  
La forma ad anello è nata da un gioco di pieni e di vuoti, per dare un'ottica accattivante all'ufficio.

**Totally unconventional.**  
The ring shape derives from a playful use of solids and voids, to provide the office with a captivating perspective.

**Totalement non conventionnel.**  
La forme d'anneau est née d'un jeu de pleins et de vides, pour donner une optique attrayante au bureau.

**Il tavolo con gamba singola sfrutta il sostegno del mobile di contenimento e dà vita ad una configurazione composita funzionale.**

The desk with just a single leg exploits the support provided by the service unit and gives rise to a functional composite formation.

La table à un seul piètement utilise le meuble de rangement comme support et donne vie à une configuration composite fonctionnelle.

**La grande componibilità della linea direzionale Gamba Anello permette l'ottimizzazione dello spazio e dell'archiviazione d'ufficio sviluppando isole di lavoro elaborate.**

The great modularity in the executive line of the Ring Leg allows office space and storage to be optimised by developing sophisticated workplaces.

Les nombreuses possibilités de composition de la ligne de direction avec Piètement en forme d'anneau permettent d'optimiser l'espace et l'archivage dans le bureau en développant des îlots de travail élaborés.

Utilizzando le stesse colorazioni per superfici in melaminico, metallo e vetro si conferisce continuità ai vari spazi lavorativi.

By using the same colours for melamine, metal and glass surfaces, one achieves a seamlessness among the various working spaces.

En utilisant les mêmes couleurs pour les surfaces en mélaminé, métal et verre, on confère une certaine continuité aux différents espaces de travail.
