LEYLA

Leyla

Wavy line reflecting strength and tranquillity of the dormant ocean – Leyla reception desk stands out with its design.

Simultaneously luxurious and professional character of this piece of furniture is emphasized by a white gloss of the worktop, glossy front and decorative aluminium bar.

Modular construction allows creating customized configurations. Snail shaped reception helps to save space and at the same time provides functionality. An extended version of the desk can consist of several workstations whereas employing a low module with overhang top is a convenience for disabled customers. The characteristic form don't overwhelm the interior, but it attracts attention.
