Reception counters Priscilla

Reception counters Priscilla

Priscilla reception counter is distinguished by its simple and universal form of a geometric shape. The front of the counter is appealing not only thanks to top class materials, but also LED ambient light. Priscilla reception counter is based on a metal frame with a square cross section. An add-on top is made of HPL board. Glass add-on top is available as well. Thanks to compact size, Priscilla reception counter fits perfectly into larger and smaller spaces.

WORK TOP

- Chipboard coated on both sides with melamine resin with increased durability - 1st class.
- Chipboard with reduced formaldehyde emission, E1 standard.
- 18 mm thick top finished with 2 mm thick ABS plastic edge with 3 mm radius.
- Top affixed to front at the height of 740 mm.
- Scallop cut-out as standard.
- Monitor shelf, cut-out in the work top on the right/ left side or the center and a shelf with adjustable height as an option with a surcharge. Monitor shelf excludes ergonomic outlet.

RECEPTION COUNTER FRONT

- Chipboard coated on both sides with melamine resin with increased durability - 1st class.
- Chipboard with reduced formaldehyde emission, E1 standard.
- Front and legs made of 18 mm thick board finished with 2 mm thick ABS plastic edge with 3 mm radius.
- Frame with a square cross section 20x20 mm.
- Total reception counter height - 1100 mm.

ADD-ON TOP

- Priscilla reception counter is equipped with a 12 mm thick board add-on top based on metal frame.
- 10 mm thick glass add-on top with White or Black Lacobel finish as an option with a surcharge.
- White LED ambient lightening illuminating the front on the inside as an option with a surcharge.

PLATE LEGS

- Plate legs made of a plate with a thickness 25 mm.

Priscilla
