RENZO

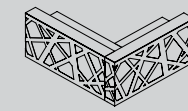

Renzo

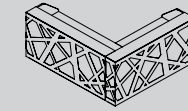

Modern minimalism combined with technology – Renzo reception desk with its original design proves that the effect matters.

Being LED backlit, the reception conjoins metal and glass what exposes the prestige and technological orientation of the company. Characteristic pattern on the front automatically becomes a decoration of every interior.

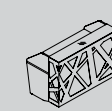

Thanks to the modular construction and the ability of adjusting the intensity and colour of the backlight, the desk provides its users with almost unlimited arrangement possibilities. Large receptions are capable of equipping even spacious lobbies. What is more, the desk is adjusted to meet the needs of disabled customers. Modern character is believed to be a foundation of a unique and innovative design of every reception.
